<p>Matters Arising:</p> <ol style="list-style-type: none"> 1. Parking at playground – The contractor will be back in the next couple of weeks to complete the seal to the road. They were waiting for confirmation from councils roading team, on the type of surfacing they required. 2. Bollards will be installed in June sometime, by the Green by Nature crew. Helen to follow up (Timber or??) 3. Water Filtration to the Hall: <i>Central governments proposed changes to the freshwater drinking standards have still been not set and there is no indication of when exactly this will happen. The decision is that we will just install the system now (which meets current standards). Our plumber will be available to install the system the week starting Monday 26th May.</i> 4. 	<p>Actions:</p> <p>1 MDC 2 MDC 3 MDC</p>

Alison's report:- MAY

Here's my report:

- It's local government election year. Mayor Helen has announced that after 9 years in the role, she will be stepping down.
- If anyone is interested in standing for MDC there is lots of information on the MDC Website. Nominations open 4th July and close on 1st August. There will be an information evening held for anyone keen to find out more. MDC requires 5 Rural Ward councillors, 5 Feilding Ward councillors, one Māori Ward councillor and of course a mayor. If elected, the role will commence in late October and will be for a three year period.
- Local Water Done Well. MDC's preferred option of a stand alone in-house model has now been formally adopted. We received 505 submissions from the public and 96% supported this model. The next step is to present the government (Dept. Internal Affairs) with our Water Services Delivery plan by early September.
- Community Honours 2025 is now open for nominations. If you or an organisation would like to nominate someone for services to the community the nomination form and criteria are on the front page of the MDC website.
- Freedom Camping bylaw.

We had a couple of submissions from national bodies like the NZMCA who felt MDC's proposals around Tangimoana were too restrictive. Please email any feedback to me on the following:

How would you feel about freedom camping vehicles being able to park on the new carpark by the playground?

How would you feel about freedom camping in the West Square area?

How would you feel about freedom camping vehicles being able to park on the roadside – preferably if they were known to the resident whose property they were outside?

Warm regards – Alison S

(PS) I did send everyone an email regarding Freedom Camping earlier in the week and have received two replies saying ok to playground carpark – maybe 2 vehicles and similar with West Square, but no to roadside parking.
