Kia ora Carla,

Just wanted to send a massive mihi to you and the Civic Centre team for once again allowing us to host our Young Achievers Awards at your beautiful venue.

The night was a huge success, and a big part of that was thanks to your manaaki and the behind-the-scenes support you offered. From allowing us to stack the chairs in the hall to helping with the initial set-up, you truly helped us save time, reduce stress, and focus on what mattered, celebrating our amazing rangatahi.

Your continued support of this kaupapa doesn't go unnoticed. We feel incredibly lucky to have such a welcoming and supportive space to bring our community together.

Kia ora Carla,

I wanted to take a moment to sincerely thank you for helping make our production of Moana Jnr such a success. The installation of the new lighting, projector, and sound system truly elevated the whole experience. We had purchased a slideshow for the show, and we were so excited to see how stunning it looked on the big screen — so clear and professional!

Anthony was a pleasure to work with and went above and beyond to cater to all our needs.

The Civic Centre is such an incredible asset to Feilding, and I am so grateful for the investment that has been made into the venue. As part of the Kāhui Ako, we have many schools who use these facilities, and the improvements now allow us to deliver productions and presentations to an even higher standard.

Carla, you were amazing at trusting us with the building and supporting us throughout the process. Your clear communication and seamless organisation made everything run so smoothly. I truly cannot thank you enough.
