2025

Basketball Manawatu Campaign

Going into the regional and national competition I knew I was going to get so much out of it, and grow as a sports player on and off the court. My highlights of the tournaments would definitely be connecting with my pairs and getting to know their personalities, and of course, getting to play and watch some good basketball.

A low light coming from the campaign would maybe not placing as high as we hoped (12th), and I wasn't feeling to good during the tournament however that didn't put me down, and I continued to enjoy the rest of the campaign as much as I could.

Overall coming out of this tournament I had made more connections and gained new skills, which is something I thank you all for letting me have this opportunity. Nga mihi

Highlight

Although throughout this campaign i had many highlights, making finals was a moment in time i will never forget. Not only was it a highlight but it was a historical moment for Netball manawatu. This was the first time in 10 years that a Under 16 netball team qualified for finals.

Lastly i would like to thank the Feilding council for awarding Siena and I this \$500 scholarship. Your support gave both of us the opportunity to represent our region with pride and Mana at a National level. This for me is an experience I will never forget. I have taken away many learning opportunities and a new sense of competitiveness in regards to netball. I am very grateful to the council for making this experience possible and for supporting me in pursuing my goals.
