Proposed Plan Change 65 to the Manawatū District Plan

Dear Allie

I have reviewed the section 42A Report and accept all Officer recommendations in response to our submission points on Proposed Plan Change 65. Specifically, recommendation numbers: 5, 25, 33, 43, 51, 219, 229, 230, 245, 250, 256, 262, 269, 275, 284 and 297.

I no longer wish to be heard at the hearing and would like this letter tabled. I reserve the right of appeal if the section 42A response is not accepted.

I thank the Planning Officers for their efforts in working through this Plan Change with me.
